## February 2010

### *Happy New Year!*

Well, looks like it is my time of the year again to do the meetings and newsletters. Leon is down south for the winter. However, I think he is having some cooler temperatures down there. He has been very busy working on the ride schedule. At this point we have a draft schedule. Hopefully by the March meeting it will be finalized or close to complete.

#### **Ride Schedule**

I am looking forward to riding this year. The schedule is currently set for Broome-Tioga on April 17<sup>th</sup> for our first ride. Let's hope the weather cooperates. Our schedule is filling up with a ride on most every weekend. We will be riding Broome-Tioga, Unadilla Pro and Amateur, East Hill, Thornwood, Savannah, Jackson's and are also going to have some rides at a new track called Cato. Weekends that we don't have rides will be flagging weekends. We also have some weekends after a two day weekend ride that we don't have rides scheduled for. In the past those have not been well attended. So starting in April there is something going on most every weekend.

#### **Work Days**

The work day requirement is 3 days for the riding season, 2 of which have to be flag days. The applications will be going out shortly with the dates for flagging on them. Make sure to select your days on the application. That really helps in setting up the work days. Without our flagging days, we can't ride some of the tracks. For the most part everyone did the work requirement last year. However, there were some members that didn't meet their requirements. If you can't meet the work requirements, you may join as a non-working membership. This is an important commitment that the club makes to the tracks. If you sign-up for a work day and can't make it, you need to contact us and let us know as soon as possible. We do understand that unforeseen things can come up, but you need to contact us to let us know so that we can fill the spots.

#### **Membership**

Remember to bring your membership card to every ride. Memberships and renewals are not accepted at rides unless you have made prior arrangements with an officer. If you do make prior arrangements you must pay in cash at the ride.

We are always looking to recruit new members. Talk to friends who are interested in riding. But keep in mind; it is important that you are up front with any potential new member, by clearly explaining the required workday's policy of the club. (3 workdays of which 2 are Flag Days) SATRA is one of the best bargains around, in terms of the number of ride days for the cost of membership.

#### **Next SATRA Meeting**

Our next SATRA Meeting will be held on Monday March 1<sup>st</sup>, 2010 @ 7:00pm at the Fayetteville Village Hall, top floor. The Village Hall is located on Route 5 (425 E. Genesee St.) next to the fire station adjacent to Friendly's. Parking is behind the building. Enter through the door way located in the back, (parking lot level), go up the stairs to the 3<sup>rd</sup> floor and to the right, into the court room.

Always call the **Hotline** before leaving for a ride or a meeting.
