April 2019

The 2019 SATRA officers are as follows:

President – Kevin Austin II – Motox671@gmail.com

Vice President - Josh Mann – mann722.jm@gmail.com

Secretary – Stephanie Moore – stephaniemoore109@gmail.com

Treasurer – Sandy Austin – satramxclub@gmail.com

There are a few new officers this year, Sandy has taken the place of treasurer and having a background in book keeping I believe she will do a great job. We also have Stephanie as our new secretary, she is involved with many clubs and has brought some of her experience and tools with her. I look forward to working with them in the new season.

Also new this year we have started using signup genius! there is a link next to the membership form on our website here(<http://www.satramx.com/needed-paperwork.html>). Please choose your workdays through the link, the workdays are on a first come first serve basis therefore if

your membership form and payment is not received within two weeks of choosing your days, you will be removed until the form is received. This is to prevent place holding.

Flagging/Working

The flagging/work days for the 2019 year are set: Unadilla Pro race only August 10, and again this year SATRA will be working the Broome-Tioga Hare Scramble May 25 & 26. The applications will have the work dates on them. To help us set up the schedule please select your work days on signup genius.

Again this year: The work day requirements are 2 work days with one required to be flagging. Keep in mind that without our flagging and work commitments, we wouldn't be able to ride some of the tracks we do. If you can't meet the work requirements, you may join as a non-working member. This is an important commitment that the club makes to the tracks. If you sign-up for a work day and can't make it, you need to contact us and let us know as soon as possible. We do understand that unforeseen things can come up.

Membership

dues will be as follows:

Sustaining - \$25

Single Working - \$120

Family Working - \$140

Non-Working Single/Family - \$375

Starting June 1st 2019 all membership dues will be \$280 for the remaining 201* riding season. If you meet the work requirements, i.e. flagging Unadilla or any other **pre-approved** work arrangements, you will be given a refund of the difference of a working membership (\$160 single, \$140 Family) at the end of the riding season.

There will still be a \$20 surcharge added to all membership dues for any membership paid at a ride. Please think ahead and sign up early.

Working family members over the age of 18 are expected to flag and non-working riding family members over the age of 18 are required to have their own membership.

Any questions in regards to the membership can be directed to Sandy Austin or Myself.

We are always looking to recruit new members. Talk to friends who are interested in riding. But keep in mind; it is important that you are up front with any potential new member, by clearly

explaining the required workday policy of the club. (2 workdays of which 1 must be Flagging)
SATRA is one of the best bargains around, in terms of the number of ride days for the cost

Ride Schedule

The ride schedule is complete there are a few days TBD that we are still trying to fill. The first ride of the year is right around the corner, remember to call the SATRA hotline before any rides or meetings for any last minute updates. Special thanks to all our track reps. for their help in coordinating our ride schedule with the track owners. We wouldn't have the great ride schedules we do without them.
