## Spring 2021

### Ride Schedule

The 2021 riding schedule is uploaded to the website. We had a good year of riding in 2020 with all things considered. It was a late start to the season, but we ended the year strong and gained a new track in the process. Thanks to all the track owners and SATRA track representatives for all their help with the scheduling of rides, coordination, and track prep that goes into making this club enjoyable for all.

We Have been Mailing out new flyers this year! They have a membership form on them, they can be filled out and mailed back with payment. If you have not received one you can also download the membership form from the website and mail it back. (if you cannot pay with cash or check please reach out to me). If you would like to hand out any flyers to recruit new members please reach out to me. This club is rider based and we are always looking to expand!

We have a fairly strong schedule this year, our first tentative ride is Jacksons on May 1st (weather permitting). On May 8th we go to Thornwood Mx. Hope to see you all there!

### SATRA Meetings

SATRA holds a monthly meeting on the first Monday of every month (except Jan, July, Sept) currently meetings are remote via zoom, if you want to join us please let me know. Everybody is invited. The meetings generally last around 1 hour, and are very informal. All the decisions pertaining to the week to week operations and the direction of the club, big or small are discussed at the meetings. Below are just a few highlights of the things we will be working on this winter for the following riding season.

- Riding/working schedule
- Membership options and dues
- All SATRA activities
