Membership

SATRA has a new Treasurer & Membership Coordinator for 15': Paul Hawthorne!! Welcome to the team Paul...This means SATRA has a new mailing address: SATRA, P.O. Box 122, Newport, NY 13416 and his email is: satra2015mx@gmail.com Feel free to contact Paul with any membership questions...

For 2015 the club did not make any change to the membership structure or dues amounts and are as follows:

Sustaining - \$25

Single Working - \$120

Family Working - \$140

Non-Working Single/Family - \$375

Please keep in mind that working family members over the age of 18 are expected to flag and non-working riding family members over the age of 18 are required to have their own membership.

Any questions in regards to the membership can be directed to Paul Hawthorne or Myself.

Renewals will be emailed this year and you should have received a renewal in addition to this newsletter. If you did not receive a renewal form for some reason, you can go to the website and download an application. Make sure to get your membership in as soon as possible as it does take some time for Paul to process the data and send you a membership card. The First ride is only a few weeks away. Remember to bring your membership card to every ride. Memberships and renewals are not accepted at rides unless you have made prior arrangements with an officer. If you do make prior arrangements you must pay in cash at the ride. We are always looking to recruit new members. Talk to friends who are interested in riding. But keep in mind; it is important that you are up front with any potential new member, by clearly explaining the required workday policy of the club. (3 workdays of which 2 are Flag Days) SATRA is one of the best bargains around, in terms of the number of ride days for the cost

Ride Schedule

The ride schedule for the 2015 riding season is complete! The completed schedule is also attached in this email and posted on the website. The first ride of the year is right around the corner, remember to call the SATRA hotline before any rides or meetings for any last minute updates. Special thanks to all our track reps. for their help in coordinating our ride schedule with the track owners. We wouldn't have the great ride schedules we do without them.

Flagging/Working

The flagging/work days for the 2015 year are set: Unadilla Pro race only August 8 and new this year SATRA will be working at Broome-Tioga May 23 & 24th for the annual WNYOA Hare Scramble. The applications have the work dates on them. Make sure to select your days on the application. That really helps in setting up the work days. Without our flagging and work commitments, we wouldn't be able to ride some of the tracks we do. If you can't meet the work requirements, you may join as a non-working member. This is an important commitment that the club makes to the tracks. If you sign-up for a work day and can't make it, you need to contact us and let us know as soon as possible. We do understand that unforeseen things can come up.

Working the Hare Scramble

We are very excited to be helping Broome Tioga for the Hare Scramble. I personally have never been to a Hare Scramble, but in talking to Tom Hurd from Broome it sounds like it could be a lot of fun for our club.

Saturday May 23: Work will start around 10am and will include helping lay out the course, stapling up track arrows, stringing ribbon on the course. Ect...

Sunday May 24: Work will start around 7am and will include, any final course work, being course marshals/officials, and "sweepers". Sweepers will ride the course on dirt bikes (your own bike, dirt bikes will not be provided, gas will) and help downed or stuck riders, clear bottle necks ect.... Motocross gear will be required. Sweepers for the quad portion of the hare scramble will be allowed to ride a quad during the quad race. If any of our members have a quad and would like to use it that would be allowed during that time.

This is a very large event, camping for the whole weekend will be allowed, and encouraged.

More details to follow, and feel free to contact me with any questions or concerns

Sign-in

This year we are including a line on the membership form to sign up to do a sign-in. Please look at the schedule and pick a day, we would like to have 2 people for every ride date. We have 2 less work days this year and there is no reason why we can't get this done. Doing a sign-in just requires that you get to the ride day a little early, put out the required sign-in sheets and waivers for the day, and keep an eye on the members that they sign-in & do it properly. You can ride and it does counts as 1 work day. Sign-in is an important part of our rides and rides can be cancelled if we don't have somebody lined up to do them.

Win a Free SATRA membership!!

This year once again we are giving away one free working membership for the 2016 SATRA riding season for doing sign-in. The winner can upgrade to a non-working membership for the difference.

This is how it works: Everybody that does a sign-in will have there name entered into the drawing. We will add your name one time for every sign-in you work. Work 5 sign-ins, get 5 chances to win. The drawing will be held at the SATRA monthly meeting in November. Need not be present to win.
