Flagging/Working

The flagging/work days for the 2016 year are set: Unadilla Pro race only August 13 and again this year SATRA will be working the Broome-Tioga Hare Scramble May 28 & 29th. The applications will have the work dates on them. Make sure to select your days on the application. That really helps in setting up the work days. **New this year:** The work day requirements have changed to 2 work days with one required to be flagging. Keep in mind that without our flagging and work commitments, we wouldn't be able to ride some of the tracks we do. If you can't meet the work requirements, you may join as a non-working member. This is an important commitment that the club makes to the tracks. If you sign-up for a work day and can't make it, you need to contact us and let us know as soon as possible. We do understand that unforeseen things can come up.

Membership

For 2016 there have been some membership changes:

From now until May 31, 2016 the dues will be as follows:

Sustaining - \$25

Single Working - \$120

Family Working - \$140

Non-Working Single/Family - \$375

Starting June 1st 2016 all membership dues will be \$280 for the remaining 2016 riding season. If you meet the work requirements, i.e. flagging Unadilla or any other **pre-approved** work arrangements, you will be given a refund of the difference of a working membership (\$160 single, \$140 Family) at the end of the riding season.

Please keep in mind that working family members over the age of 18 are expected to flag and non-working riding family members over the age of 18 are required to have their own membership.

Any questions in regards to the membership can be directed to Paul Hawthorne or Myself.

Renewals will be emailed this year and you should have received a renewal in addition to this newsletter. If you did not receive a renewal form for some reason, you can go to the website and download an application. Make sure to get your membership in as soon as possible as it does take some time for Paul to process the data and send you a membership card. Remember to bring your membership card to every ride. Memberships and renewals are not accepted at rides unless you have made prior arrangements with an officer. If you do make prior arrangements you must pay in cash at the ride. We are always looking to recruit new members. Talk to friends who are interested in riding. But keep in mind; it is important that you are up front with any potential new member, by clearly explaining the required workday policy of the club. (2 workdays of which 1 must be Flagging) SATRA is one of the best bargains around, in terms of the number of ride days for the cost

SATRA website

www.SATRA-MX.com has a new webmaster...Mike Gosson!!! Our former webmaster Jim Stewart did a great job and a special thanks goes out to him for maintaining the website for the past few years...Thanks Jim!!! Mike has been hard at work updating the website and putting his special touch on it. If anybody has any ideas or recommendations for the website feel free to contact Mike via the webmaster link on the website.

Ride Schedule

The ride schedule for the 2016 riding season is almost complete! The completed schedule will be email and posted on the website in the next few weeks. The first ride of the year is right around the corner, remember to call the SATRA hotline before any rides or meetings for any last minute updates. Special thanks to all our track reps. for their help in coordinating our ride schedule with the track owners. We wouldn't have the great ride schedules we do without them.

Sign-in

This year we are including a line on the membership form to sign up to do a sign-in. Please look at the schedule and pick a day, we would like to have 2 people for every ride date. We have 2 less work days this year and there is no reason why we can't get this done. Doing a sign-in just requires that you get to the ride day a little early, put out the required sign-in sheets and waivers for the day, and keep an eye on the members that they sign-in & do it properly. You can ride and it does counts as 1 work day. Sign-in is an important part of our rides and rides can be cancelled if we don't have somebody lined up to do them.

Next SATRA Meeting

Our next SATRA Meeting will be held on Monday April 4th, 2016 @ 7:00 PM at the Fayetteville Village Hall, top floor. The Village Hall is located on Route 5 (425 E. Genesee St.) next to the fire station adjacent to new Dunkin Donuts (formally Friendly's). Parking is behind the building. Enter through the back door, go up the stairs to the 2nd floor, and into the court room.

Always call the Hotline before leaving for a ride or a meeting.
